About Guru Jambheshwar Ji Maharaj

Guru Jambheshwar Ji Maharaj was a great saint, philosopher and environmentalist of the 15 century. He was born in the family of Shri Lohat Ji Panwar and Mata Hansa Devi on Bhadrapada Krishna Paksha Ashtami (Janmashtami), Vikram Samvat 1508 (1451 A.D.) in Pipasar village of Nagaur district of Rajasthan. Guru Jambheshwar Ji Maharaj founded the Bishnoi sect in Vikram Samvat 1542 (1485 A.D.) at Samrathal Dhaura on Kartik Krishna Ashtami. He spent the remaining 51 years of his life spreading his great vision. The First shabad uttered at the age of 7 years since Birth by Guru Jambheshwar Ji is **“Guru chinho guru chinh purohit...!”** to a Brahmin called to cure his dumbness. Considering the miraculous powers of Guru Jambheshwar Ji and his teachings, Guru Jambheshwar Ji Maharaj is popularly considered as Vishnu Swarup. His teachings influenced both the ruling class and the common class.

Guru Jambheshwar Ji Maharaj had said – **“Jeev daya palaanee, rukh leelo na ghav”**

Which means – "Have compassion for all living beings, and don't cut the green trees".

He raised his voice against the rituals and formalities of contemporary social system. He was a great visionary who had foreseen the consequences of man's actions destroying nature for economic development. He saw the need for environmental protection and weaved his principles into religious commandments so that people could internalise those principles easily. He teaches love, peace, kindness, simplicity, honesty, compassion, forgiveness, hard work, good moral character, internal and external purity.

At village Khejarli of Jodhpur State, in Vikram Samvat 1787 (1730 A.D.), under the influence of Guru Jambheshwar Ji Maharaj's teachings, Smt. Amrita Devi Ji and 362 Bishnoi brothers and sisters, sacrificed their lives to save Khejadi trees from being cut by moving their heads forward saying

"Sar Sathe Rukh Rahe, To Bhi Saston Jaan",

Which means “Even if a tree is saved in exchange of a head, it is still a cheaper deal”.

The Khejarali village event was the supreme sacrifice worldwide to protect the trees. Khejarali (Jodhpur) is the place where the Chipko movement originated in India Centuries before the S.L. Bahuguna led Chipko movement. This collective sacrifice of human lives to protect the Khejri tree is a unique phenomenon worldwide.

Guru Jambheshwar Ji Maharaj founded 29 rules. Out of these, eight prescribe to preserve biodiversity and encourage good animal husbandry, seven provide directions for healthy social behaviour, and ten are directed towards personal hygiene and maintaining essential good health. The other four commandments provide guidelines for worshipping Vishnu daily. He expounded his religious philosophy and the essence of these principles in verses. These vibrant and passionate spiritual verses have a vigour of their own and are distinguished by their vivid conversational style and moral exhortation. Guru Ji achieved 'Nirvana' in Vikram Samvat 1593 (1536 A.D.) at Lalasar, District Bikaner, Rajasthan.

A fundamental “Shabad” by Guru Jambheshwar Ji-

**“Vishnu Vishnu tu bhan re prani, paii key lakh upayun,
Rattan kayo baikunth baaso, tera jara maran bhaya bhajun”**

Which means, “O human being, recites Vishnu Vishnu continuously so that the recital multiplies in number. This would relieve you from the fear of old age and death”.

“Jeeva Nai Jugati or Mhan (Moova) Nai Mugati”.

(To live is a device and to die is salvation) within and outside the country

FOREWORD

Welcome to the e-prospectus of the Centre for Distance and Online Education (CDOE), Guru Jambheshwar University of Science & Technology, Hisar, for the academic session commencing in February 2026 (Academic Year 2025–26). This e-prospectus reflects the University's commitment to environmental responsibility, in the true spirit of Guru Jambheshwar Ji Maharaj, the great environmentalist after whom the University is named.

Established on 20 October 1995 under an Act of the State Legislature, Guru Jambheshwar University of Science & Technology has steadily evolved into a premier institution of higher education in Haryana. The University was founded with a clear mandate to promote excellence in teaching and research in emerging and socially relevant domains, with special emphasis on new frontiers of Science & Technology, Engineering, Environmental Studies, Media Studies, Pharmaceutical Sciences, Management Studies, Yoga Science, Physiotherapy, Humanities and Social Sciences. Over the years, the University has achieved significant academic and institutional milestones.

The University is duly recognized by the University Grants Commission (UGC) under Section 2(f) on 11.01.1996 and under Section 12(B) on 07.02.1997, enabling it to receive central assistance. Today, the University is spread over a 372-acre lush green campus, housing 10 Teaching Blocks, 31 Departments under 9 Faculties, and offering 95 Regular Programmes. In addition, through Open and Distance Learning mode, the University offers 3 Undergraduate, 7 Postgraduate, and 14 Diploma/Certificate Programmes, along with 12 Programmes through Online mode and 32 Certificate Courses in collaboration with HKCL. Doctoral programmes leading to the Ph.D. degree are offered in most departments.

The University has been accredited with an A+ Grade by the National Assessment and Accreditation Council (NAAC) in its 4th cycle for the period 18.10.2022 to 17.10.2027. In the NIRF-India Rankings 2025, it has secured 1st rank in Haryana in the State Public University category & 32nd rank in the country, 49th in Pharmacy, rank band 101–125 in Management, 101–150 in University, 151–200 in Overall, 11–50 in Sustainable Development Goals, and 201–300 in Engineering categories.

On the global front, the University has achieved notable recognition. It is ranked 1201–1500 globally and 73rd in India in the Times Higher Education World University Rankings 2026. Subject-wise, it has been placed in the 801–1000 band globally and 33rd in India in Physical

Sciences, 1001–1250 globally and 33rd in India in Engineering, and 501–600 in Asia with 69th rank in India in the Asia University Rankings 2025. The University also holds a position in the 1001–1100 band in the QS Asia Rankings 2026.

In recognition of its sustainability initiatives, the University proudly ranks 29th nationally and 680th internationally in the UI GreenMetric World University Rankings 2025. It has also been honoured as the Best University of Haryana under the Pride of Nation Award 2025, conferred by Veterans India in collaboration with AICTE, NBA, AIU, and EPSI.

The University has been admitted for the fifth time to the prestigious Global Initiative of Academic Network (GIAN) Phase-V Scheme of the Ministry of Education and has received the NEP Implementation Excellence Award 2025 (Gold Category) from the Higher Education Department, Haryana, for exemplary implementation of National Education Policy-2020.

A strong culture of research and interdisciplinary collaboration defines the University. Faculty members and researchers have published over 5,750 research papers indexed in Scopus, garnering 1,30,000 citations, with an average citation per paper of 22.67. The University's h-index of 139 is the highest among universities in Haryana.

Since its inception in 1997, the Centre for Distance and Online Education has played a pivotal role in delivering quality higher education to learners at their doorsteps. The programmes offered in Management, Commerce, Computer Science, Environmental Science, Mathematics, Media Studies, and Humanities are fully aligned with the University's vision and quality policy. The Centre also offers 32 Online Certificate Courses aligned with national skill competency standards and compliant with NSQF Levels 3 and 4.

The Centre is distinguished by its online admission system, University-approved curricula, experienced faculty, well-designed e-content through the LMS, smart classrooms, modern computer laboratories, and a robust student support system. Comprehensive online services include access to prospectus, e-content, admissions, fee payment, assignments, examinations, results, and grievance redressal. A dedicated Centre for Internal Quality Assurance (CIQA) ensures best practices in ODL and Online Education, with all programmes duly entitled by the Distance Education Bureau, UGC, New Delhi.

I warmly invite learners and all stakeholders to join our Open & Distance Learning and Online Education Programmes and become part of this institution dedicated to academic excellence, inclusivity, and nation-building.

I wish you every success and a bright future ahead.

REGISTRAR**

FROM THE REGISTRAR

Dear Prospective Students,

The Centre for Distance and Online Education at Guru Jambheshwar University of Science and Technology was established within two years of the university's inception. Our mission is to provide high-quality education in professional courses to individuals who are unable to pursue higher education in the traditional, on-campus format. Our primary goal has always been to deliver education right to your doorstep, ensuring accessibility and convenience for all learners.

Since its inception, the Centre for Distance and Online Education has continuously adapted its programmes to meet evolving market demands. This flexibility allows us to offer a diverse range of courses that are both relevant and beneficial for your career advancement.

Our Centre excels in delivering comprehensive learning experiences directly to our students. From the outset, we provide meticulously crafted study materials and facilitate Doubt Classes at the university, ensuring that our distance learners receive the same level of support and interaction as on-campus students.

We leverage the latest Information and Communication Technology (ICT) to enhance our student support services. Our dedicated website offers extensive resources and support systems designed to assist you throughout your academic journey. These digital tools are aimed at providing you with a seamless and enriching learning experience.

I extend a warm welcome to all new entrants to our Open & Distance Learning and Online Education programmes. We are committed to help you achieve your academic and professional goals. I encourage you to explore the wide array of programmes we offer and find the one that best suits your aspirations.

We look forward to support you in your educational journey and helping you in building a successful future.

Dr. Vijay Kumar

From the Director's Desk

It gives me immense pleasure to welcome you to the online portal of Centre for Distance and Online Education, Guru Jambheshwar University of Science and Technology, Hisar. The Centre for Distance and Online Education of this University was established in the year 1997; in order to meet out the demand for job oriented Programmes.

The Centre for Distance and Online Education is offering job oriented Programmes entitled by UGC (DEB) and approved by the University. The University has also started 32 online short term Programmes in collaboration with HKCL. The details of all the Programmes are given in this Prospectus which has been designed touching all the facts of the registration process, rules/regulations, fee payment schedule, Doubt Classes schedule and examination etc. in a very lucid manner. The Doubt Classes are organized by the Centre for Distance and Online Education for the students of online degree courses where teachers hold the classes of the students and satisfy their queries. The Centre for Distance and Online Education gets the E-content/E-tutorial prepared and vetted from the experts in the various fields and updates the same from time to time. In order to look after the interests of students, the Centre for Distance and Online Education has appointed full time dedicated senior teachers as Programme Co-ordinators for each Programme. The support services and administrative staff of the Centre for Distance and Online Education are trained and committed to provide cutting edge services to the satisfaction of Open & Distance Learning and Online learners.

I, on behalf of Centre for Distance and Online Education congratulate the students who have opted to join the DEB (UGC) entitled Open & Distance Learning and Online Programmes of this 'A+' Grade NAAC Accredited University. I am sure that the students who will take admissions in various Programmes run by the Centre for Distance and Online Education will be immensely benefited in view of the ever growing job market in India and abroad.

CHAPTER-I

THE UNIVERSITY

1.1 The Guru Jambheshwar University of Science & Technology, Hisar, was established on October 20, 1995 by an Act of the Legislature of the State of Haryana with the objectives ‘to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of technology, pharmacy, environmental studies, non-conventional energy sources and management studies and also to achieve excellence in these and connected fields’. It was formally inaugurated on November 1, 1995. It is named after Guru Jambheshwar Ji Maharaj, a saint environmentalist of 15th century. Keeping in view the nature of courses offered at the University and the mandate for which it had been established the name of the University has been changed as Guru Jambheshwar University of Science & Technology.

The University enjoys a rare distinction of getting recognized by the University Grants Commission under Section 2 (f) for recognition of degrees, on 11.1.1996 and, under section 12(B) of the UGC Act to be eligible for central assistance on 7.2.1997, i.e., within 15 months of its coming into being. The University opted for accreditation by National Assessment and Accreditation Council (NAAC), an autonomous organization of the University Grants Commission, in 2001-02. As a result of the exercise, the NAAC accredited this University at “A” level (Institutional score 85%) in 2002 and has been again re-accredited by NAAC three times again with grade “A” with CGPA 3.28 upto 09.12.2021 and University got rank band 101-150 in NIRF Ranking 2024. Now University is recently accredited with ‘A⁺’ Grade from NAAC valid upto 2027.

1.2 LOCATION

The University is situated at Hisar, a rapidly growing town situated at about 167 Kms. from Delhi on Delhi-Rohtak-Hisar-Sirsa-Fazilka National Highway (NH-152) and at a distance of about 231 Kms. from Chandigarh on NH-65. It is well connected by rail and road. Hisar is one of the principal cities catering to the administrative and commercial needs of rural population. It is a major centre of higher education and research with three major Universities of the State, a number of research Institutions, degree colleges, breeding farms and a growing industrial environment. An Army Cantonment located in Hisar enriches its cultural life.

1.3 JURISDICTION

The State Government vide notification No. S.O.7/H.A. 17/1995/S.4/17 dated 21.06.2017 has redefined the jurisdiction and authorized the University to exercise its power on all type of colleges of District Hisar.

1.4 CAMPUS

The University is situated over a sprawling area of about 372 acres. The campus is laid out with picturesque landscape, numerous buildings of various sizes and wide road network. It presents a spectacle of harmony in architecture and natural beauty. Approximately 275 acres of area has been developed with all providing modern facilities such as road networks, sewerage, pipe lines for water, electricity supply and parks have been developed at various places. The whole Campus is also connected to Internet facility. The University has 10 teaching blocks along with separate building of

Haryana School of Business, Mechanical, Bio-Nano and Physics Departments. There are residential houses of different types for various categories of employees. Construction work for more Staff quarters is under progress. The University has the Branch of nationalized banks with ATM facility and a post office in the Shopping Complex. Beautification of the campus is being attached priority to provide healthy and pollution free environment on the campus. The University is running its Cafeteria. Besides a spacious Library & Guest House/Faculty House are also located on the Campus.

1.5 HOSTELS

There are Nine Hostels (four for boys, four for girls and a working women hostel) in the University, which have capacity of about 2000 residents. The hostels are provided with colour Televisions, Chess Board, Carom Board, Chinese Checker Board, Badminton, Table Tennis, Newspaper Stands etc. for recreation and entertainment of the students within the hostel premises. All the hostels have been provided with modern facilities such as Electric Geyser, Music System, Telephone Facilities, Desert Coolers, Water Coolers fitted with aqua guards, insect killers and adequate play grounds. The Girls hostels have been provided with physical fitness machines for jogging, cycling and abdominal exerciser. All hostels are connected with Internet facility.

1.6 ACADEMIC PROGRAMMES

The University offers a wide range of academic programmes/courses at post-graduate and undergraduate level. All these programmes are designed by taking into consideration the special needs of the market and the industry and the Model Curricula has been designed in accordance with model course curriculum of the UGC/AICTE. Emphasis is laid on both theoretical and practical training, knowledge and skilling for exposing students to the latest developments in the various areas of science, and technology. For the purpose, the University invites academicians, professionals and researchers from various Institutions and industries. Adequate training and placement facilities are available for the students. The University also arranges campus interviews. Workshops, Seminars and Symposia which are conducted regularly. In-plant industrial training is an essential component of most of the courses. In addition to these, the University also offers programmes through Distance Mode as mentioned in the Prospectus which are entitled by DEB,UGC.

CHAPTER-II

THE CENTRE FOR DISTANCE AND ONLINE EDUCATION

The Centre for Distance and Online Education of this University was established in 1997 with four programmes namely; MBA, PGDCA, BBA & CIC. Since then a lot of progress has been made in terms of number of programmes, number of students enrolled, production of quality Self-Learning Material (SLM) etc. Not only the new programmes were added, but some of the programmes were replaced by the new ones so as to make them highly job-oriented and enable the students to pursue them while being in job and self-employment. At present, 8 Post Graduate Programmes, 3 Under Graduate, 14 Diploma/Certificate Programmes through Open and Distance Learning mode and 8 Post Graduate, 1 Under Graduate, 3 Diploma/Certificate Programmes through Online mode along with 32 Certificate Courses in collaboration with HKCL. For the admitted students, the Centre for Distance and Online Education organizes Personal Contact Programmes (PCPs)/Doubt Classes during which the teachers of parent departments and the programme co-coordinators hold classes and satisfy the queries of the students. There is also well equipped Computer Lab for students with internet connection. The study material has been prepared by the Centre for Distance and Online Education with the association of specialists in the respective areas and the same is updated as and when the changes are brought in the programme curriculum as per needs of the market. In order to have the interest of the students closely watched, the Centre for Distance and Online Education has appointed teachers/programme coordinators in the respective disciplines programme. Notwithstanding the moderate amount of fee charged for each programme, the students have the facility to pay the same in half yearly installments so that the students with limited financial resources can also afford to acquire quality education. In addition to it, the students of Centre for Distance and Online Education get the benefit of Post Matric Scholarship (PMS) released by the Government of Haryana. From the session 2015-16 onwards, the on-line admission process was adopted to facilitate the student spread all over India and abroad.

4. MASTER OF SCIENCE (MATHEMATICS) (ODL & ONLINE MODE)

Mathematics is a pioneer subject which finds applications in all fields of Science and Technology. The programme curriculum designed in such way that students will make their career in academics, research and corporate world. After M.Sc. (Mathematics) there is bright scope for research and teaching profession, as mathematics is backbone of science and research. 30 % of the maximum marks in each paper are allocated for internal assessment based on two assignments (handwritten) each of 15 marks.

9. BACHELOR OF ARTS (ODL MODE)

Unlike any other course, BA programme gives an opportunity to the concerned students to study various combinations of subjects. So, it is quite popular among those interested in civil services. It can also be a good option for those who cannot get through an honors course of their choice because of high cut-offs. The BA (Bachelor of Arts) is a three-year programme.

Elective Papers – Each student has to choose two discipline papers that cannot be changed during the course of three years, as per rules of the University. The students must pursue the same combination in all the three years. A B.A. programme student has the liberty to study following elective/optional papers such as *Public Administration, Political Science, History, Mathematics, Economics and Sociology* etc. For all the six semesters in three years, the student opts for requisite two elective papers, along with that, the student also has to appear language papers as compulsory papers in every semester. Computer Awareness & Environmental Studies is offered as Compulsory papers during first year.

NOTE:

In the B.A. Pass course (General), a student is supposed to pass 26 subjects in total. Out of this, a student has to study the subjects in the following manner:

- i. Two languages (in every semester)
- ii. Two compulsory papers (one i.e. computer awareness in 1st & 2nd Semesters and second i.e. Environmental awareness in 2nd Semester)
- iii. Two electives (once opted for 1st semester, will continue up to 6th Semester)

SUBJECT COMBINATIONS**BA-General /Arts**

A student has to take anyone combination given as below:

S.No.	Subject 1	Subject II	S.No.	Subject 1	Subject II
1	Political science	History	8	History	Sociology
2	Political science	Economics	9	Economics	Sociology
3	Political science	Sociology	10	Mathematics	History
4	Public administration	History	11	Mathematics	Economics
5	Public administration	Economics	12	Mathematics	Political science
6	Public administration	Sociology	13	Mathematics	Public administration
7	History	Economics			

Further, the combination of the subjects to be notified by the university from time to time will also be applicable.
